What do you think about the 1950 Korean War?

SFC Eric Hortin
HHC EUSA PAO

I think everyone who fought the war had a very difficult time. It was only 5 years before the war, when World War ended. It was also very difficult to understand fighting the expansion of communism rather than fighting an enemy. All veterans who fought the war should be remembered and honored.

MSGT Carlton Hill
USFK PAO

I think the scope and magnitude of the many lives sacrificed for freedom can best be quantified by contrasting the current understanding of South and North Korea. While South Korea has made significant strides as a fairly young democracy, North Korea has experienced significant social and economic misfortune. Some call the Korean War "the forgotten war," a reflection of South Korea's progress and prosperity provides a vivid, constant reminder of its worth.

2LT Lorna Magnus
HHC EUSA G1

I think the war was a really good example of a lot of countries coming together to help another. The memorial day is a good time to remember all of the veterans of the war.

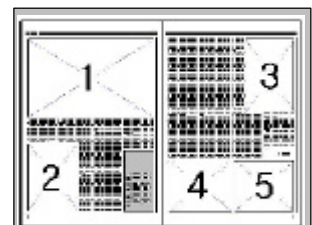

MAJ Karen Diefendorf
17th Aviation Brigade

It was a tragedy but God redeemed the loss of so many lives with Democracy. I remember the heroes who sacrificed so much. I pray for the day when peace and reunification will replace armistice.
